We are so excited to welcome you back to Oronoco in August for the 50th anniversary of Downtown Oronoco Gold Rush Days!

We wanted to let you know that on April 11, 2022 the Gold Rush Board voted to move all of our vendors to the west side of Minnesota Avenue for the 2022 show. This decision was not made lightly. A lot of thoughtful discussion was had over two meetings prior to the decision. We believe this is the best way to keep our vendor prices down while facing rising overhead prices of the show. It is also the best way to ensure that the large, much anticipated water/sewer project taking place over the next two years has the least amount of impact on the show as possible.

We have tried our best to locate you amidst your vendor neighbors from previous years and in a lot with similar space and landscape as your previous lot. We understand this news may be met with many questions and concerns and we are available to address those. Please feel free to email us at goldrushmn@bevcomm.net or call 507-367-2111.

Thank you for patiently waiting for your contracts while we made these big decisions. We sincerely hope you join us in August to celebrate our 50th Anniversary.

Respectfully Yours,
The Downtown Oronoco Gold Rush Days Board
